**U.S.A. vs. Christopher Shawn Mason**

**Docket No. 2:08-CR-24-1BO**

**Petition for Action on Supervised Release**

COMES NOW Bentley H. Massey, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Christopher Shawn Mason, who, upon an earlier plea of guilty to Robbery of a Mail Carrier, 18 U.S.C. § 2114 (a), was sentenced by the Honorable Terrence W. Boyle, U.S. District Judge, on April 21, 2009, to the custody of the Bureau of Prisons for a term of 40 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 36 months under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
2. The defendant shall pay restitution in the amount of \$3,874.71.

Christopher Shawn Mason was released from custody on August 30, 2011, at which time the term of supervised release commenced.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR  
CAUSE AS FOLLOWS:**

On November 17, 2011, the defendant submitted a drug screen that returned positive for cocaine use. Additionally, he signed an Drug Use Admission Form confirming he used "crack" cocaine on November 15, 2011. The probation officer believes the interest of justice would best be served by continuing supervision and modifying his conditions to include a 6-month placement in a residential reentry program. Further, while placed at the residential reentry center, the defendant can participate in drug treatment/counseling and job training classes.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.
